

# We share a dream

## Join us

**We are Australia's national string quartet.  
Our ambitions shine bright as we gaze across an exciting future.**

From country to city, we are striving even harder to deliver more programs that involve and inspire the next generation of audiences and musicians. And as champions of Australian music, we are passionately committed to showcasing more work by our country's very own composers.

We cannot achieve our dreams without you. It is only with your support that we can reach further, deepen our impact and continue to bring joy to people's lives through music.

Join us in creating a brighter tomorrow. Please donate today.

*"What I love about the Australian String Quartet is the players' evident commitment to excellence and the beauty on offer to all Australians through their lyrical playing and their Australia-wide touring. Your support is vital." Maria Myers AC, ASQ Patron*
