Direct Licensing Policy (Public Performance and Communication Rights)

Our direct licensing policy

This is the direct licensing policy of Australian String Quartet (ASQ). At present ASQ does not have the capacity to directly license any of our sound recordings or music videos for public performance or communication.

Given the legal and administrative costs involved with direct licensing ASQ is unable to offer direct licenses at competitive rates for public performance or transmission. ASQ will review its position every 12 months to consider whether the size and skill base of the organisation enables it to engage in direct licensing.

In the meantime, if you require a licence for the public performance of one of ASQ's sound recordings or music videos you should contact OneMusic Australia through the website <https://onemusic.com.au> or call 1300 162 162. If you require a licence for the communication of one of ASQ's sound recordings or music videos, you should contact the Phonographic Performance Company of Australia (**PPCA**) at www.pcca.com.au or by calling (02) 8569-1100.

If you wish to provide any feedback or comments on ASQ's direct licensing policy, please email asq@asq.com.au. You are also welcome to email asq@asq.com.au to enquire about licensing one of ASQ's sound recordings for a use that is not covered by a PPCA licence. Such uses may include but are not limited to:

Including ASQ's sound recordings on a compilation; and/or
Synchronising ASQ's sound recordings for film or television.
